

Treatment of Title IV Aid When a Student Withdraws from Marymount University

When a student withdraws from Marymount University, the institution will determine the student's withdrawal date based on the last date of attendance. The institution will then determine the student's Title IV aid eligibility based on the student's enrollment status on the withdrawal date. The institution will determine the student's Title IV aid eligibility based on the student's enrollment status on the withdrawal date. The institution will determine the student's Title IV aid eligibility based on the student's enrollment status on the withdrawal date.

Withdrawal:

When a student withdraws from Marymount University, the institution will determine the student's withdrawal date based on the last date of attendance. The institution will then determine the student's Title IV aid eligibility based on the student's enrollment status on the withdrawal date. The institution will determine the student's Title IV aid eligibility based on the student's enrollment status on the withdrawal date. The institution will determine the student's Title IV aid eligibility based on the student's enrollment status on the withdrawal date.

Time frame for post-withdrawal disbursement of grant funds

The institution is permitted to credit a student's account with the post withdrawal disbursement without the student's permission for tuition, fees, and room and board (if the student contracts with the school). A school must credit the student's account with the PWD for the withdrawal period.

For non-post withdrawal grant disbursement not credited to the student's

Marymount's refund policy or officially withdrawing procedures from school please read
